

For Students Post-Secondary Selections

Grade 12 and adult students can view and order their transcripts to be sent to PSIs, prospective employers and themselves on the StudentTranscripts Service at:

www.studenttranscripts.gov.bc.ca/. Students must create a Basic BCeID account to access their information. Students need only complete their PSI selections once in the current school year. Students should make their PSI selections early in **May**, each year, but if needed, may add to their selections at any time through early July each year.

STS- Student Transcript Service

This is the web site that every grade 10-12 needs to go to in order to set-up their account in order to send transcripts to the various post-secondary institutions they are applying to.

Provincial Graduation Assessment Results are on the Ministry's **Student Transcripts Service (STS)** website which provides students with secure access to their Provincial Graduation Assessment proficiency score and detailed results for each assessment. Students require their **Personal Education Number (PEN-A 9 digit #** the can **get from Mr. Drosdovech** if they can't locate theirs), legal first and last name, date of birth and email address to create an account on the **Ministry's STS website www.studenttranscripts.gov.bc.ca/**. Please note that preferred names are not allowed, only legal names. Students should be encouraged to create an account prior to the release of results. From there they can **register for a Basic BCeID** required to use the Student Transcripts Service. When signing up for a **Basic BCeID, students select their password reset question and answer**, which they must remember as they are required if students forget their password. Students must use spacing and punctuation with care when selecting answers as answers are case sensitive and spaces entered between letters or words are not recognized.
