

Dear Parents / Guardians:

“Student Fees” are due on the first day of school and are in addition to the capital building fee paid at the time of registration, the parent participation fee due in August, and monthly tuition. Student fees cover required items such as consumables, class fees, etc. as well as optional items such as yearbooks and hoodies and are non-refundable.

Student Fees are calculated online at <https://immac.payschoolfees.net>. **Register** to create an account, **add students** and **order** the required items.

This year, we prefer digital forms of payment. Payment by credit card online is available for your convenience and a transaction fee applies. We also accept payment by email money transfer at [irhs.activities@cisnd.ca](mailto:irhs.activities@cisnd.ca). It is not necessary to print a remittance form, but please be sure that when you send your payment it is clear for whom you are paying.

If you need to come into the office to pay by cash, cheque, or debit please call ahead.

As always, please contact the office at (250) 762-2730 if you require any assistance.
