CALLING ALL IMMACULATA FAMILIES

We are looking for awesome families to host our new international students in September. Host families provide our students with the opportunity to experience Canadian family life by being part of your family. Students need their own furnished bedroom and are to be provided meals and snacks and transportation (via car or bus) to school.

We have students coming for short and long term programs. The monthly compensation is \$925 / month per student. If you'd like to apply, please contact Mrs. Brodeur at irhs.ahc@cisnd.ca.

ICC PARISH MISSION: THE FULLNESS OF PURPOSE

Could there be more to our faith experience than what we know?

A dynamic speaker, author, husband and father of a busy household, Ken Yasinski will be leading a two day Parish Mission at Immaculate Conception to lead our Catholic community into Lent! The evenings are designed to help answer life's most meaningful questions: Why have I been created? Where is joy found? Does my Catholic faith matter? This mission is Catholicism in everyday simple language that will make relevant the timeless truths of our faith.

The mission is FREE to attend. We will simply take a free will offering each evening for those who would like to contribute to our NEXT parish mission. Check out Ken's 6 minute video introduction to the mission: [Link here](#)

ACHIEVEMENTS

ROBO GENIUS

In case the Immaculata community didn't already hear, Jackson and Jude Beetlestone placed first in Western Canada for the search and rescue robotics competition last Friday at Okanagan College. They came 10 points

short of a perfect score in their last round 290/300 points. The competition was not even close even though it was attended by the top private tech schools from the lower mainland. Not bad for a small school here in the heart of the Okanagan. A huge shout out goes to **August Beetlestone** (yep, dad and an Immaculata grad) who coached these two outstanding students to this lofty finish.
