

I'm going to Kindergarten at St Joseph's School

This is my school.

I will get dropped off at school in the morning.

[illegible]

A photograph of a child's closet. The upper section features a wooden shelf with several puffer jackets and backpacks hanging from hooks. The jackets are in various colors: pink, blue, light pink, green, and yellow. The backpacks are also colorful, including one with a floral pattern and another with a red lightning bolt. Below the shelf, the floor is covered with various shoes and boots. On the left, there are two pairs of sneakers, one blue and one dark blue. In the center, there are two pairs of dark blue sneakers. On the right, there are two pairs of boots: one pair of purple polka-dot rain boots and one pair of dark blue rubber boots.

During kindergarten we will work and have circle time and do fun art activities.

My teacher is there to help me.

I need to ask my teacher before going to the bathroom.

I need to remember to wash my hands.

I will eat lunch at school.

I will get to play outside with my new friends.

I will also get to play in the gym.

In kindergarten we get to visit the library.

Each day we get to play at different centers.

Afterwards we tidy up too!

In kindergarten we will go on field trips.

We will also have fun with our big buddies.

When school is finished I will pack my bag and  
get ready to go home.

I will meet new friends in kindergarten
